Construction News Flash

Edwards AFB Community Health Clinic

From the Office of Development Director
David C. Thompson II, 1st Lt, USAF, MSC
Marla D. Muse, MSgt, USAF, NCOIC
661-277-2622 / 661-277-4162

MILCON Progress

- Completing Structural Steel Beams and Columns
- Starting to install underground utilities, to include, plumbing, gas, and electric

Pictures (continued)

Construction Safety

- KCB Steel may still be doing some welding on the columns and beams.
- ***Do not stare at the welding as it could cause eye damage!***
- Construction is beginning to pick-up with several contractors involved, so please continue to remain alert and mindful of our progress.
